

Last weekend the Farmers Market was outstanding. The weather was fantastic and the crowds were out. Thanks to all for your support. Some of the vegetables you missed were yellow squash, zucchini and patty pan squash, bell, sweet and hot peppers, and cherry tomatoes to mention a few. As the weather warms, you can expect a wider selection of vegetables every weekend.

Fil Jessee, the gardening columnist for the Braselton News will be at the market to answer any of your gardening questions.

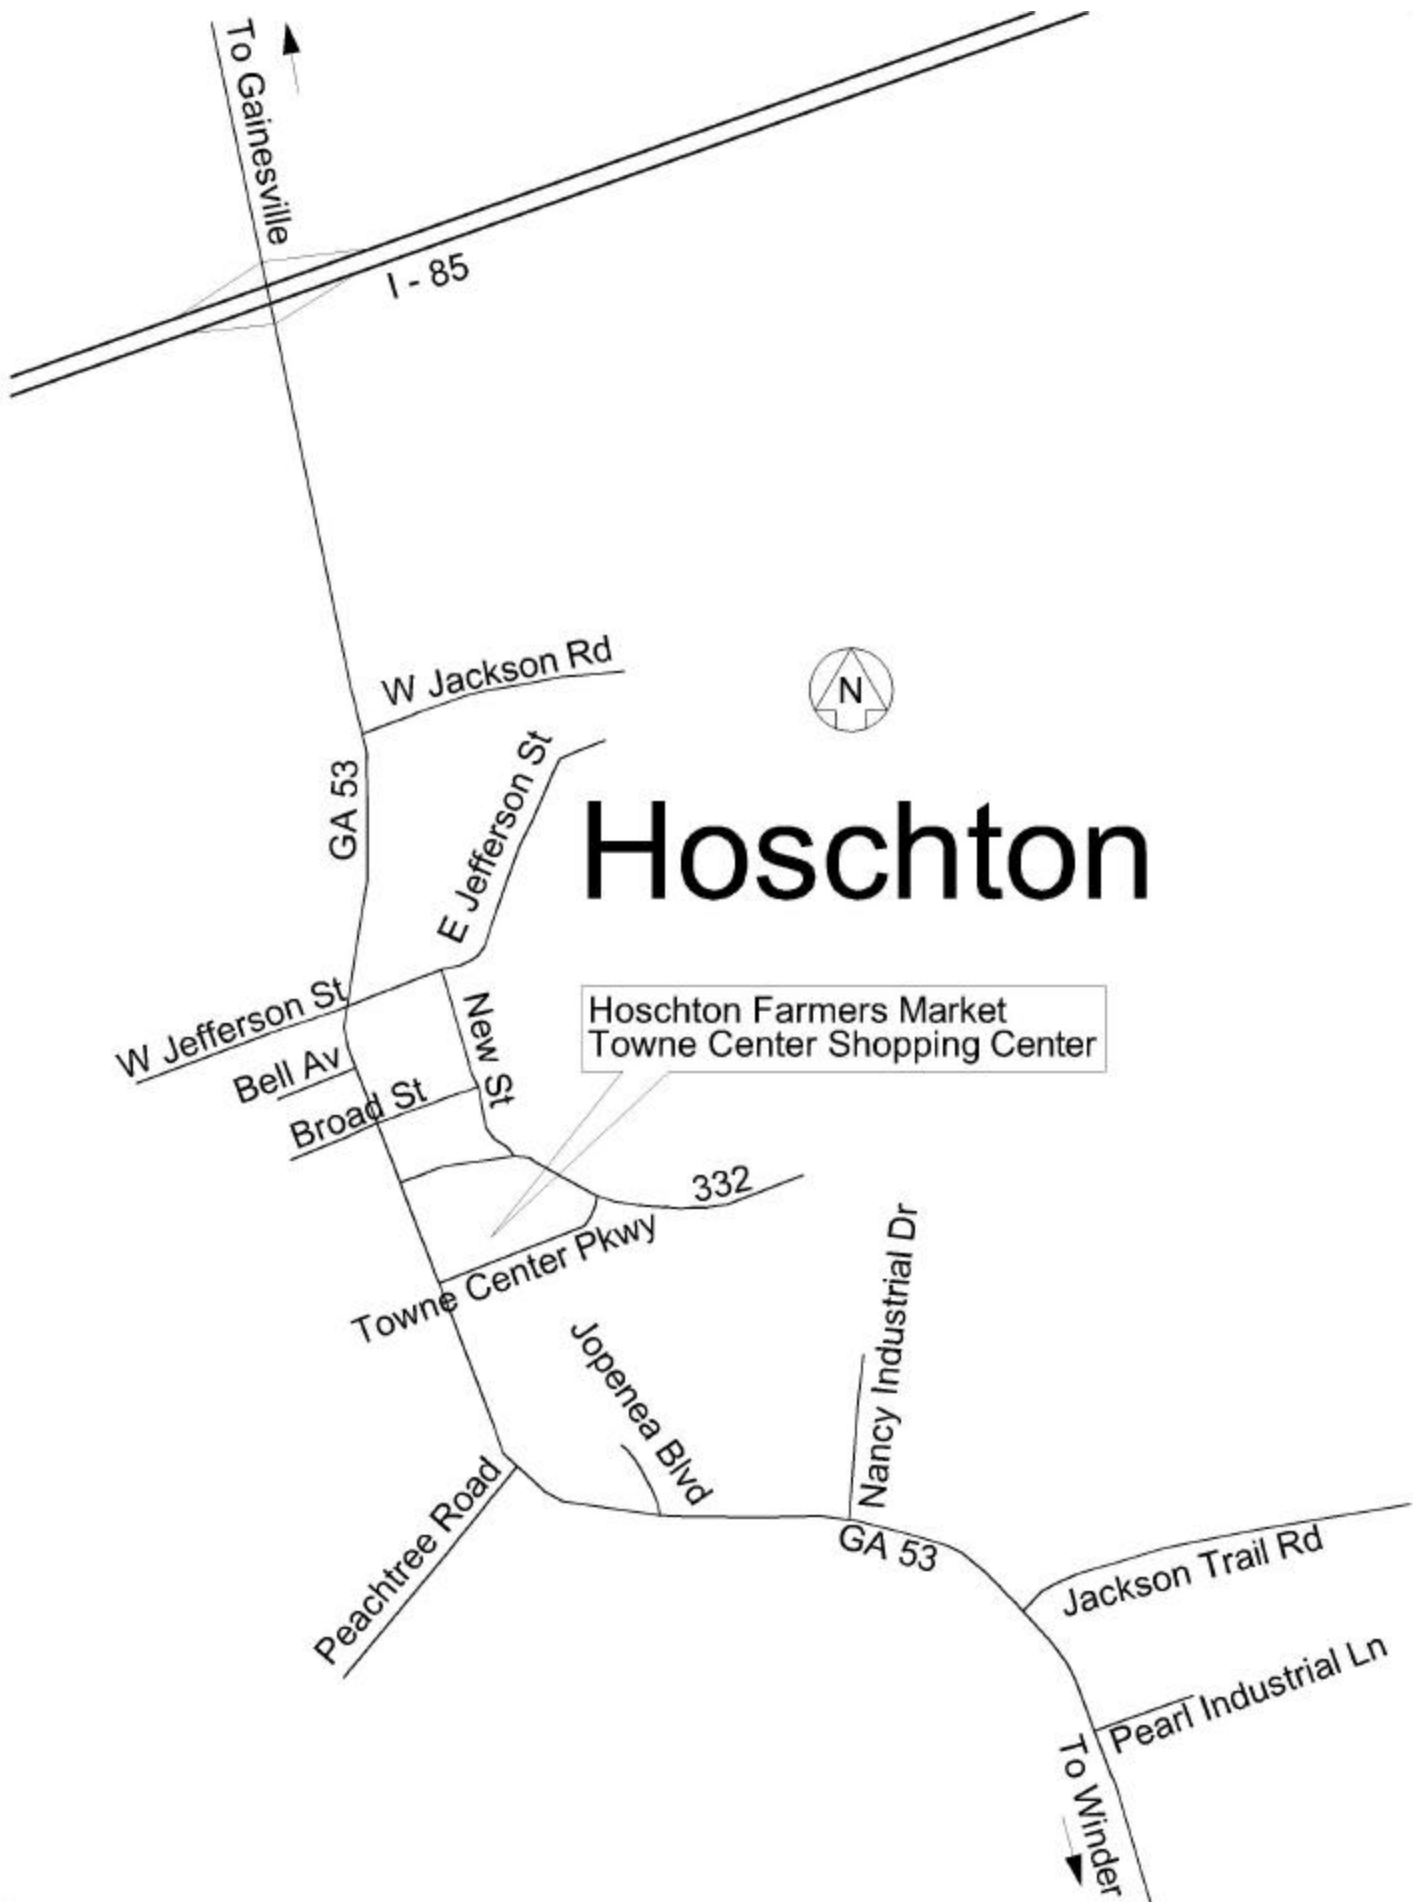

Local honey, exotic tropical plants, landscaping plants, plants for your garden, beautiful hand painted gourds, baskets of Boston Ferns, and a wide selection of fresh cut and ready to plant herbs are a few things you may have been missing.

Cheryle Maddox of "The Masters Garden" will be adding to their products, selling dried teas and body soaks.

Big John is back with his "outstanding" smoked pork sandwiches, and several other tasty treats one of which he calls, "Chicken on a Stick." Since Sunday is Fathers Day, consider smoked pork for Dad. John will sell his pork by the pound and his prices are the best around.

If bar-b-que is not to your taste, try Anthony's for lunch, and while you are here, visit the new Christian Book Store that has just opened.

Make Saturday mornings a social event and visit the Hoschton Farmers Market at [Towne Center Shopping Center](#) to meet your friends and neighbors.
