Limitations on Addressing City Council. Any person not a member of City Council who desires to address the City Council shall first secure the permission of the presiding officer, and then shall step up in front of the council, give his name and address in an audible tone of voice for the record, and direct his remarks to the City Council as a body rather than to any particular member, limiting such remarks to a reasonable time (2 minutes per person/ 5 minutes per topic) unless additional time is granted by City Council. Permission to speak is at the discretion of the Mayor and City Council. Persons wishing to bring subjects to attention of the City Council may do so either by providing the City Clerk or the Mayor with a written petition for presentation to the City Council at its regular meeting or by contacting the Mayor or any City Council member informally
