Procedure for Citizens to Address Council: Citizens wishing to have an item addressed by Council must submit a written request to the City Clerk.

Manner of Addressing Council. No member, while the City Council is in session, shall speak on any subject unless recognized by the presiding officer. Every speaker shall address the chair and no member shall interrupt anyone who is speaking, except to call him to order or for explanation.

Limitations on Addressing City Council. Any person not a member of City Council who desires to address the City Council shall first secure the permission of the presiding officer, and then shall stand, give his/her name and address in an audible tone of voice for the record, and direct his/her remarks to the City Council as a body rather than to any particular member, limiting such remarks to a reasonable time (**2 minutes per person/ 5 minutes per topic**) unless additional time is granted by City Council. Permission to speak is at the discretion of the Mayor and City Council. Persons wishing to bring subjects to attention of the City Council may do so either by providing the City Clerk or the Mayor with a written petition for presentation to the City Council at its regular meeting or by contacting the Mayor or any City Council member.

NOTE: All agendas are considered working drafts until approved by Council members during Work Session or Regular Council Meeting.
